Gina,

I am wondering if it would be good for you as acting PM to send a quick note to Marty and Larry, cc-ing Tiffany, that the team who reviewed it initially from several R10 programs is currently reviewing this and we'll be in touch soon. It sounds like Larry views this as a done deal, but I am not sure we want to tacitly concur with that opinion.

I'm happy to send the note, but in my experience they seem to gravitate to communicating at the manager/OD/RA level.

Lisa

Subject: What's Upstream Web Site

Dan, Angela and Lisa,

Thank you for your guidance over the past several months regarding the Swinomish Tribal Indian Community's What's Upstream public information campaign about non-point source pollution. We have reviewed your thoughtful suggested edits to our content, and have incorporated many of them in the final versions of text for the website and the letter to elected officials, which you will find attached.

The updated website will go live by the end of October, and, we believe, is stronger as a result of your team's input. Thank you again for your assistance and support of this important ongoing project.

All the best,

Marty
